

Course Title	<b>FINAL PROJECT</b>
Course Code	<b>CSN 224</b>
Course Purpose and Objectives	The Final Year Project takes place during the last semester of studies. Students are given the option of either doing a Final Project (CSN 224) <b>OR</b> Industrial Training (CSN 225). The aim of the Project is to give students hands on experience through project implementation. The project should contain practice and documentation must be submitted upon the completion of the project.
Learning Outcomes	<ol style="list-style-type: none"> <li>1. Acquire the maturity to complete a substantial piece of work, which includes research, development or both.</li> <li>2.
